

# Matt Brocklehurst

## LTA Level 2 Coach

I joined BLLTC in 2016 playing for the teams and in 2017 I captained the Men's 2nd team. I have also played matches for the first team in the Premiership and in the National Club league.

I have been coaching for eight years gaining experience working with all age groups. I have further developed my skills as a Tennis Coach working under Head Coach James Turner since joining the coaching team in 2016.

My studies support my vocation as a Tennis Coach as I am due to graduate with an MSc Psychology of Sport & Exercise degree in early 2018 and currently working towards a level 3 Personal Trainer qualification.

This has given me a combined knowledge of the mental and physical conditioning that supports a high level of sporting performance.

I enjoy working with all age groups adults to mini red, beginners to team players and really enjoy seeing people improve and maximize their ability.

If you would like a session hitting with me please contact me on
